

Your doctor has prescribed ALKINDI SPRINKLE® (hydrocortisone) oral granules — here's what happens next:

You have been automatically enrolled in **Eton Cares**, a full-service patient support program

The prescription has been sent directly to Anovo® Specialty Pharmacy, which will help your doctor's office in their efforts to verify and obtain insurance coverage

Within
the next
3 days...

A Nurse Ambassador will call before the medication ships, to help you get started. All calls from Anovo will come from this number:
(901) 201-5470

An Anovo Pharmacist will also call to explain how the medicine works and arrange delivery. The pharmacist will reach out monthly after that to answer any of your questions about the medication

Medication may arrive in as soon as 24 hours*

4 days after the medicine is shipped, and then a week later, the Nurse Ambassador will call to see if you have any additional questions.

The Nurse Ambassador will continue to stay in touch after that, and you can always call

 **(833) 343-2500** (M-F, 8 AM-5 PM CT)

*For newborns awaiting hospital discharge, medication may be delivered as soon as 24 hours. Typical delivery is 3-7 days.
